Hiring Manager,  
DELOITTE LUXEMBOURG  
LUXEMBOURG

### JOB REFERENCE: SOFTWARE DEVELOPER

Dear Hiring Manager,

I am excited to express my keen interest in Deloitte Luxembourg's German Open Day on May 3, 2024. With a background in computer science and information technology, I am eager to explore career opportunities with a leading auditing and consulting firm.

Throughout my academic and professional journey, I have undertaken diverse projects, notably developing an intelligent surveillance system using ESP32 CAM technology and emotion recognition algorithms. This project showcased my innovative problem-solving skills.

Additionally, I have pursued certifications on platforms such as Udemy, IBM Online Learning, and Coursera to enhance my expertise in Python, data science, AI, and ML.

I am drawn to Deloitte's reputation for excellence and innovation. The opportunity to engage with the team and learn about the modern DSquare Office excites me. I am particularly interested in the German Business Community and its potential for career growth.

Confident in my background and enthusiasm for continuous learning, I believe I can contribute effectively to Deloitte's mission. I look forward to the possibility of attending the German Open Day and discussing potential opportunities.

Thank you for considering my application. I am eager to engage with the Deloitte team and explore how my skills align with your organization's needs.

Sincerely,

Praveen Kumar
