GERMAN

ABOUT ME

I am a highly motivated individual with a strong academic background in advanced mathematics and With experience as a subject matter expert in mathematics across multiple companies, I have honed my analytical and problem-solving skills. Currently pursuing my Master's in Computer Applications (MCA) at (JNTUA) , and worked and completed mutiple projects of my own using PYTHON, JAVA, HTML, CSS and JAVASCRIPT

WORK EXPERIENCE

2022 - 2023
COFFEE.IO

PYTHON DEVELOPER (FREELANCER)

As a part-time Python developer at Coffe.io, I contributed to various projects while also engaging in multiple open-source initiatives. Through my freelance work and open-source contributions, I honed my skills and enriched the development community. This dual engagement allowed me to broaden my professional network and continuously enhance my proficiency as a developer. My experiences with Coffe.io and open-source projects were invaluable in shaping my career trajectory.

2021- 2022
INNOVALANCE LEARNING SYSTEMS

SUBJECT MATTER EXPERT

Promoted to team leader at Innovalance Learning Systems, my expertise in mathematics and computer science ensured effective communication of complex concepts. With advanced qualifications in both fields, I fostered a dynamic learning environment and guided educators towards academic excellence. Integrating mathematics and computer science, I drove innovation and facilitated continuous learning at Innovalance.

JAN 2020 - DEC 2021
MAD EDUCATORS

SUBJECT MATTER EXPERT

As an SME in mathematics at Mad Educators, I brought a blend of expertise and enthusiasm to my role. With advanced qualifications in the field, I effectively conveyed complex concepts in an engaging manner. My tenure was marked by a commitment to fostering a dynamic learning environment, where students were empowered to excel. Working at Mad Educators provided me with the opportunity to inspire and guide students toward mathematical proficiency
